Did you feel meeting with your senators and representative was effective? Why or why not?

Did you enjoy this experience? Would you do it again? Would you recommend Capitol Hill Day to others?

What did you learn as a result of this experience?

Did you feel that you were an effective advocate? Why or why not?

Capitol Hill Day is a springboard for our advocacy efforts throughout the year and following up on our efforts in Washington, D.C., is critically important. After Capitol Hill Day, would you be willing to visit your congressional representatives' local offices in your state to follow up? If not, why not?
